

Lansing Central School District

Department of Athletics

Greetings!

We now have the convenience of online athletic registration through **FamilyID** here at LCSD. FamilyID is a *free, secure registration platform* that provides you with an easy, user-friendly way to register for the athletic programs, and helps us to be more environmentally responsible.

When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your child's information only once for multiple uses and multiple programs. *FamilyID is the only way for you to register/update your son/daughter's information for the fall, winter and spring seasons.*

Please refer to the link below for access to the program. Also, it is important to understand that each season has a specific time period "window" for which the process must be completed. This information can also be found on the Lansing CSD FamilyID homepage.

BEFORE YOU REGISTER:

It is helpful to have your child's physical already completed before you register through Family ID, since it provides the opportunity for you to upload an electronic copy. If you do not have an electronic copy, you will need to submit a paper copy to the Health Office.

INFORMATION NEEDED TO REGISTER:

It will be helpful to have the following information handy to allow for accurate completion of your online registration. *Your child's doctor's information, emergency contact information, and the names of individuals who will be able to sign your son/daughter out of contests.* As a reminder, these forms can be updated and changed when necessary, however we ask that you contact the Nurses Office once a change has been made. We also ask that you not make any changes the day of a game/match.
