## Lansing Theater And Performing Arts Booster Club

LTAPA supports Music, Performing Arts and Theater in the Lansing Central School District. By joining LTAPA, you make a statement that you support our school district's efforts to bring music, performing arts and theater into our student's lives. LTAPA's funds are used to further many different aspects of this mission. Our main sources of fundraising are through membership fees, concession stand sales at music and theater events and our annual Cookies and Carols event in December. Please contact our Membership Chair Dorothy Debbie at dorothynotwork@gmail.com with any questions.

Please show your support by becoming an annual, lifetime or angel member today!
