ARE YOU AWARE OF YOUR 403(b) BENEFIT

The opportunity
Your Employer offers a 403(b) retirement plan as a benefit to employees. The Plan allows employees to save and invest by making tax-deferred contributions directly from their paycheck.

Why save with 403(b)?
- You do not pay income tax on contributions until you begin making withdrawals from the plan, usually after your retirement.
- Investment gains in the plan are not taxed until distributed.
- Benefit from saving and investing.

Sample: Future retirement savings value assuming 6% yield on investment.**
