

## After **PROM** 2019

We often wonder, "What can we do to keep our students safe and away from risky behavior?"  
There is an easy solution, the Lansing High School **After Prom Party!**

This is a **FUN** after prom activity for students to keep the party going. It is a secure, drug and alcohol free environment to keep our students **SAFE**, and will take place following the prom on the night of **Saturday, May 18, 2019.**

With the Support of the Lansing Bobcats Booster Club through the generous donations of local businesses, parents, teachers, and community members, the LHS After Prom Party is **FREE** for students to attend.

Donations, which may be tax deductible, are needed to fund facility rental, food, large rental games, raffle prizes and much more. A \$40 donation is estimated to cover the cost for two students to attend the After Prom party.

Here's how you can help:
