

Welcome Back, LANSING!

I am honored to have this opportunity to serve the students, teachers, and families of this wonderful community. Let us all extend a very warm welcome to our incoming 9th grade students as well as our new students entering LHS at all grade levels.

Our first week of school we have dedicated to welcoming our students back to our school, building relationships between teachers and students and ensuring everyone is educated on how to work in our building safely. On Friday the 9th our Link Crew Leaders will host orientation for all of our incoming 9th grade students. On Monday the 12th all students will attend for their first day of school.

Throughout this summer we have been working harder than ever to ensure another extraordinary school year. We are prepared to offer excellent education as well as social and emotional support for all of our students, a standard here in Lansing. We are excited to welcome the following new faculty members: **Kara Catino, Jake Fusilli, Allison Wright** and **Kerry DeLisa**.

We are looking forward to starting each day with a smile on our faces. Students will be greeted starting at 7:35 am. We will have two entrance points in the morning (main entrance and senior parking lot entrance). If you are dropping your student off or they are driving

to school, plan arrival between 7:35 am and 7:45 am. LHS doors will open at 7:35 am. Students should have received their schedules in the mail, if they have not please let our main office know. As always, they will be subject to change and students will receive a new schedule on the first day of school.

School begins at 7:49 am and ends at 2:30 pm. Breakfast will be served daily and our lunch periods are assigned as normal. The academic day ends at 2:30. Students without additional obligations should leave the building at that time. If you need to stay after, you should be in a classroom with a teacher or in the cafeteria in the academic study hall (only for athletes with a 3:15 practice). Please do not gather in locker rooms, courtyards, storage areas, stairwells, the gymnasium, etc. Academic study hall will begin October 10th. We are committed to setting the tone that academics is our number one priority. All students should leave the building at 3:30 pm unless they are in a supervised activity. Students should not loiter in the building unsupervised after school or at the end of rehearsals, clubs or sports practices/games. If you are waiting for a ride, please wait in the front lobby just inside the doors.

Sincerely,
Pat Hornbrook, Principal
