## LETTER FROM THE DIRECTOR

I am excited to introduce myself as the new Athletic Director/Assistant Principal of Lansing High School. My name is Katie Crandall and I've been a part of this community all my life. I am proud to be an alumni and a member of the Athletic Hall of Fame. I am entering this position with 15 years of educational experience. In addition to my educational background, I have athletic experience at the youth, intermediate, high school and collegiate levels. I believe that participation in athletics plays an important role in developing the individual potential of each student-athlete.

I am truly invested in providing a strong athletic program whose focus remains on the connection between academics and athletics as well as the overall health and wellness of student-athletes. I am thrilled to be a part of such a supportive community and district. I cannot wait for our Fall Athletic Season to begin. Come out and show your Bobcat Pride by supporting our student-athletes. I look forward to seeing you there! It's a great day to be a Bobcat!
